WESTERN DISTRICT OF LOUISIANA

Motion's in Response To Report and Recommendation  
of Magistrate judge concerning  
28. U.S.C. § 2255,

First I would like to begin by informing the court  
respectfully once again that, I Melvin Williams have no  
experience with the law and I am no way capable of  
responding to this report and recommendation from the  
Magistrate judge. Despite knowing that my claims (§ 2255)  
have more than merit. (which is why I respectfully asked  
in two previous motions that counsel be appointed to me.)

Furthermore, (as was mentioned in my request for motion  
for counsel) Due to this conviction I was placed in Florence  
Colorado Supermax which gives very limited access to law  
material. So upon receiving this recommendation on the  
21<sup>st</sup> of May by regular mail (after being held up by staff for searching,  
approval and ETC) and not processed as legal mail. There wasn't even  
enough time for me to go through the (3 day process to request  
and receive) even some of various cases which was cited by  
the Magistrate judge. (For even an attempt to respond and meet this

14 day deadline response in any fashion.)

So in response to the Magistrate judge Report and Recommendation.

Movant, Melvin Williams is pro se pursuant to 18.U.S.C. § 3306, 28 U.S.C. § 2255, and rule 6 and 8 of the rules governing § 2255 proceedings (Having showed several strong claims within my § 2255 motion) respectfully would like to move for appointment of counsel again, to further address in totality, the report and recommendation of the Magistrate judge.

IF NOT,

I would request that the court allow me an 90 day extension to properly review the cases and claims quoted by the Magistrate judge. Whereas I can try to (in some manner) respond myself, in my hope of freedom.

Dated this 24<sup>th</sup> day of May 2010.

Respectfully submitted.  
X Melvin Williams
